

Eco House
Eco Home Eco Family

Eco Sanctuary

“...not just ‘house,’ but also ‘family’... ‘temple,’.... the place from which I’ve come,
the place where I find myself as I have been and will be and indeed
am.

Home holds my comforts, my struggles, my cares, and my longings....
Perhaps, more than anything else... my experience of the world....

Eco,
from the Greek, oikos...”
house... home.

We are **Florida Green Builder** - contact us to explore the possibilities for creating your
own Eco Sanctuary. SCarter@floridagreenbuilder.com Phone: 352-377-5682.
